

To get the best results, you will need to go to the 'printing option' before printing and ensure that the 'page scaling' option is set to 'none' in the print dialogue box. The Cartier Ring Size Chart must be printed on a full letter (8 ½ x 11 inches) size page. To check that the Ring Size Chart has been printed properly, take a ruler and measure the sample below. It should measure exactly 2 cm.

How to use the Cartier Ring Size Chart:

- If you have a ring that perfectly fits the finger on which the Cartier creation will be worn, you can place it over the nearest sized circle of the Ring Size Chart.
- **The inner edge of the ring should align with the outer edge of the circle.**
- If your ring appears to be between two sizes, Cartier recommends that the larger size be chosen.

Please note that the Cartier Finger Sizer is an indicative guide only and therefore may not be an exact measure.
